

HAWAIIAN Islands Forwarders

Hawaiian Islands Forwarders (HIF)

We have the experience and resources to serve the Hawaiian Islands freight forwarding needs of a diverse customer base — builders, manufacturers, suppliers, vendors, contractors — shipping to and from Hawaii, and throughout North America. Our personnel have over 70 years of experience managing our customer's freight movement to the Islands. Ranging from large Mainland Project Logistics that are time and cost sensitive, to small business enterprises that contribute to a solid economic base for the Islands.

Looking to Ship Products to Hawaii from North America?

It's not easy moving freight to and from Hawaii, but with HIF, it can be. HIF provides Ocean Freight Forwarding, Inter-Island Forwarding, and Inland Freight Forwarding to all points in Hawaii — and throughout North America.

Whether you're moving freight to or from the Islands, require short or longterm warehousing, or need white-glove last mile service — our comprehensive understanding of Hawaiian customs, and our significant mainland resources allow us to provide efficient and economical door-to-door service.

Hawaiian Islands Forwarders serves the full range of customer needs to and from Hawaii.

We offer the following freight-forwarding services between our Santa Fe Springs and Oahu terminals —

- Full Container Forwarding
- Less than Container Load Forwarding
- Outer Island Forwarding and Distribution
- Oahu Warehousing
- Mainland Warehousing (integrated with our HIF facility to guarantee the lowest cost option)

Hawaiian Islands Forwarders maintains a network of premium suppliers, serving all points between North America and Hawaii.

We offer all modes of inland transport including —

- On-line inventory management
- Consolidation and assembly
- Product Sorting and Segregating
- Flat rack loading and banding
- Local pick up and delivery
- Personal effects storage
- Residential deliveries
- Oversized commodities

Our Santa Fe Springs and Oahu terminals feature sophisticated warehouse management systems.

Allowing HIF to offer specialized services to include —

- Full Container Forwarding
- Less than Container Load Forwarding
- Outer Island Forwarding and Distribution
- Oahu Warehousing
- Mainland Warehousing (integrated with our HIF facility to guarantee the lowest cost option)

By integrating the inland transportation and forwarding services, we can offer a single point of contact for door to door service.

Allowing for these advantages —

- Single carrier responsibility
- Individual bill of lading
- Web-based Freight Tracker
- EDI Integration
